HOLIDAY PARTY **JANUARY 30, 2009**

The Holiday committee is very busy getting the decorations ready for our annual Elkhorn Valley H.O.G. holiday party. This year's event will be held at the DC Centre. A little change of place is always good for us. The DC Centre is located @ 11830 Stonegate Circle, just south of Mulhall's Nursery off 120th & Maple. Go East @ the light on Stonegate Circle, it's on the left hand side. **The deadline for registering to attend is January 15th; so don't delay (we've attached a registration form to this newsletter for your convenience)!** Last year we had over 120 in attendance and certainly hope to surpass last years record. We hope all of our fellow H.O.G. members sign up and join us in celebrating another great year for the Elkhorn Valley H.O.G. chapter. After a wonderful dinner we will say, "Job well done" to our 2008 Officers and introduce all of our 2009 officers. Door prizes will be drawn throughout the evening. Please come join in the fun!

2009 Holiday committee.

Cliff Notes

2008 is at an end and so is my time as El-Patron!! HA! HA!
I would like to thank all of my officers for a job well done!

2008 began with one heck of a Holiday Party and if I know the Holiday Committee the 2009 year, will begin the same way!

We had an awesome turnout at all the events, way to go everyone. We also had a great turn out at the Nebraska State Rally. Our group brought home the Chapter Challenge trophy and Elkhorn Valley H.O.G. brought home more trophies in the games than any other group. Great job to all who came and all had a great time. There were other great events like the Pop & Docs ride, Day of the Hog, Dodge City Ride, The Arch ride to Kearney, Hayrack Ride, Omaha Beef and all the events that Dillon's has put on, are just a few of the great rides and events that have made the year so great for Harley and I both.

I don't know how many of you have seen "Wild Hogs", but for Jim Owen and I, there is a scene in that movie which stands out. I don't care what he tells anyone - I DID NOT SNIFF HIS NECK!!!!!!!

The year was great in so many ways; I now know how it feels to lose a member of our H.O.G. family. This year the Lord spared two of us, myself on October 4th when I totaled my Road King and Dan Howell who around the same time went through heart bypass surgery. I thank the Lord for us both.

Life can change in the blink of an eye. My sister and I's families know this too well. With this said, I'll try not to get too serious and just try to make sure I am extra nice to someone each day. My bike is my therapy and that's why I ride. I would like to thank everyone who joined in my "group therapy sessions" in 2008.

Last but not least I want to thank Tom, Jason, Mike and everyone else at Dillon's for helping get my 2001 Fat Boy. If anyone is looking for a good used bike, Dillon's has a few, go see them, they are the best. Thanks guys.

Remember stay warm, stay safe and don't forget the ice.

People join the chapter for different reasons and all of them are good ones. Here's my experience with first becoming a member.

Cecil and I became Harley Owners in November of 2001 and soon began receiving the Enthusiast & H.O.G. Tales in the mail from Harley - Davidson. We must have gone to the dealership every day to buy something new for our bike or pick something up that we had ordered. We were so excited about our new Harley but we had no idea at that time the places it would take us or the number of miles we would travel.

We soon joined a H.O.G. Chapter because we wanted to be around other Harley enthusiasts. At that time, I was a passenger. Although we enjoyed the occasional ride around town we enjoyed seeing the groups of bikes riding on the road and really wanted to be apart of that.

That was the beginning of something great! The Chapter would plan rides and activities for us to attend. We didn't have to know how to get there. They had road captains for that. We rode to some really fun places and they took us to places with lots of curvy roads that we still find enjoyable today. Every weekend there was something to look forward to.

We attended our first Nebraska State Rally in South Sioux City, NE. It was a great time and we rode up with some members from the chapter. We enjoyed all the activities. We loved watching the biker games but didn't dare try any, for fear of making fools of ourselves. Boy, did we miss out on a lot of fun because we felt that way.

Well, we continued to enjoy the chapter, found a core group of members to ride with and had a great time. We also went to the Kansas State Rally that same year. Again, we didn't do any of the biker games. What were we thinking?!

Next year, Cecil became Activities Officers and the first thing on his list was to plan a pre-rally games event prior to the Nebraska State Rally. This way we could learn and try out all the different biker games among friends. It was a BIG hit! We did the slow ride, the balloon toss, and the plank walk. We played biker games every year after that and so did many others! In 2003, I moved from being a back-seat rider to a front-seat Harley driver. I took the beginners riding course, rode in the parking lot a few times and then I hit the road. If you've never ridden before, you can't expect someone to be a good rider at first, it takes time and discipline. It's not easy riding with all those millions of things you need to be watching for before you GO at the GREEN light. I was exhausted with the physical and mental things you must do to be a rider. I don't think the discipline ever ends and I don't think it's ever a bad idea to take the Experienced Rider Course just to make sure you're not lacking on certain skills. I think after 5 or 6 years of riding is a good time to challenge yourself with a refresher course. Dillon Brothers has the Rider Edge Course so take advantage of this service.

In 2003, we also became members of the Elkhorn Valley H.O.G. Chapter. We were so impressed with the concept of bringing Harley Owners together, planning rides and activities so everyone could enjoy riding, experiencing new places, and making new friends and/or riding with the group. With this Chapter, Cecil and I did both. We maintained our love for riding with groups of fellow members and we've made some great friendships that extend outside of the chapter. Those of you who know anything about Cecil and I, know that we really enjoy meeting people and love to ride. Oh! The 10% discount at Dillon Brothers is awesome, too! You know not all dealerships do this, it's at their discretion...so don't forget to say "THANKS" every time you get that discount!

Well, here we are in 2009, in the past few years our Harley has taken us to see our family in Texas, Niagara Falls, Bar Harbor, ME and Canada. We traveled with some great friends, some who I still ride with and some who I haven't seen in a while. One of the most memorable for Cecil by far...is ALASKA! I think it was all the elements, the bad roads, the beautiful scenery and the distance 8,000 miles in 16 days! I don't think he will ever stop telling me how beautiful it was and the fiasco of Ken getting stopped at the Canadian border. Cecil has put on almost 150,000 miles and I am almost at 50,000 miles, not counting the 50,000 as a passenger! Hey that counts...my butt can speak for it!

-

For those of you who became members to enjoy the 10% discount, enjoy it. If you just like to attend the meetings to visit and share riding stories, enjoy it. If you're a new rider

or experienced rider and just want to find other riding enthusiasts, you came to the right place. If you've never ridden with a group, we'll show you how. If you're a new rider and need someone to ride with to get more experience on the road, let us know, we'll make sure you get the attention you need while enjoying the ride and meeting other members.

One thing I know for sure, you really belong to a FAMILY here at the Elkhorn Valley H.O.G. Chapter regardless of how much or how little you wish to get involved.

Happy New Year to everyone! Ride Safe and Have Fun and I look forward to seeing you all in the New Year!

Winter-what can you say.....For bikers, winter isn't near as much fun. We can't get out as much on the motorcycle. It's cold, snowy, icy or all of the above most of the time. Ken sure tries to get the motorcycle out on the road whenever it's warm enough. With his heated gear on, of course. He's not that hardcore.

For me, it's my time to get caught up on everything that gets pushed to the back burner during the riding season. Cleaning out closets, working on scrapbooks, cleaning of my office, spending time with grandchildren. During the riding season I don't spend much time doing any of the above since Ken and I are on the motorcycle every chance we get.

My New Year's resolution? Um, nope. Not telling. Seriously, did you **really** think I'd tell?

I do have several and here's to being able to keep them all.

We sure had an exciting and wonderful 2008.

Here's hoping we will have an even bigger and better adventures in 2009.

To all of our EVHOG friends....HAPPY NEW YEAR!

We hope to see each and every one of you very soon.

Lisa Logan,
Treasurer

HAPPY NEW YEAR

It's time to bring in the New Year – can you believe it – it's 2009!!!! I had another wonderful year as an officer for the Elkhorn-Valley H.O.G. chapter. Let's go back in time...what positions have I held to date...hmmm. First year, I volunteered for the Ladies of Harley. That was great. It gave me an opportunity to plan 1 monthly event for the chapter. I had the most fun with that position. The next year, I was thinking "what the heck" why not give Activities Officer a shot. That actually shot me but in a good way. Never forget to thank the volunteers who officially hold this position and all the other volunteers they recruit throughout the year to help organize some of our bigger events like...the chapter picnic, the chapter pre-games for the NE State Rally, **Hog-o-ween**, the Cookie Run, Ollie the Trolley, and the Hayrack ride to name a few. It takes more than one individual to pull off a great year of events. The Activities Officer always has their support group – the very able and capable officers for that year but they can always use other volunteers to help them with planning events and, yes, the actual support of pulling them off. My hat is off to the Activities officers from years past and to those of the future. Good luck and much success to you. And don't forget to ask for support...you won't be disappointed...EVH has a great group of volunteers who will step up with a smile and a helping hand. Last but not least, I was this year's secretary. We had a great 2008 officers group. We really pulled together and made it a very positive year for the chapter and we could see the results every event and every chapter meeting. I have enjoyed being an officer and look forward to supporting this chapter going forward with wherever the path takes me.

It's great to see new faces coming in for the 2009 officers and it's great to see some ol' familiar ones as well. Much success to the 2009 EVH officers. I'm sure we'll have another good year with our EVH 2009 volunteer leaders.

Wow, 2008 brought us a major milestone event...we celebrated EVH & Dillon Brothers 5-year anniversaries this year. How exciting. I got the shirt & one for Jim and Josh – we love Dillon Brothers and the chapter. We couldn't ask for a better dealership and H.O.G. chapter. Jim, Josh & I have been with the chapter for 4 years now and have loved it. We have made some great friends and have had some great adventures with those friends. The best part of it all is that we get to have those great adventures on our Harleys. I've had the great honor and privilege of riding with Jim & Josh and as "Just Deb". My friends with EVH made sure I could have my own adventures when Jim wasn't able to ride with us. That's how I got the nickname "Just Deb". Funny, now that I think about it. My "Just Deb" days were on my first bike which was a 2006 883C Sportster and my second bike which was a 2007 Heritage Soft tail Classic. With my new ride, I love it – my 2008 Street Glide, I haven't had the opportunity to ride as "Just Deb". I just might have to make some plans for 2009 to ride as "Just Deb". So many memories. So many stories. So many bikes...HA! Old man winter has gotta go and go fast. I want to ride!!!

Thanks to all the officers from times past and to all of you who voted for me for any of the positions I ran for as a volunteer to help support the Elkhorn-Valley H.O.G. chapter. It's been a great experience and I look forward to many more great experiences as a Harley rider.

Lady Harley D

The year 2008 has come to a close. I have enjoyed being the Ladies of Harley Officer for the Elkhorn Valley H.O.G. group. I want to thank everyone for attending the Ladies of Harley meetings and activities in 2008, the attendance for both were fantastic.

I hope you will all welcome the new Ladies of Harley Officer, Julie Johnson. I am sure she will do a super job at being the Ladies of Harley Officer for 2009. I hope everyone will continue to support the Ladies of Harley as well as you did in 2008.

Due to certain events that happened this year, I was not able to ride my Harley as often as I would have liked. Hopefully, the New Year 2009 will be a more peaceful and a less eventful time in my personal life so I can get out there and ride. I want to thank everyone for all their support in some of those personal events in 2008. This group has made me feel part of a big family and I mean that from the very bottom of my heart. Joining this group in 2004 was the best thing we have ever done. We have met so many people and it helped me to come out of my shell. Sometimes maybe I'm out of it too much (ha, ha).

If any of our members have not been to the Ladies of Harley's events, such as the ice cream ride, the cookie run, Ollie the Trolley, or just the meetings I would like to encourage you to do so. The events I mentioned and others are so much fun, just the ride to and from is great and the fellowship and laughter always leaves me feeling so good.

Remember the Ladies of Harley is not just for women, but for men also. Ladies of Harley is there to support the group in anyway they can from planning events and rides, to helping the group with their big events such as Day of The Hog and the State Rally etc.

Again, thank you all. I hope everyone had a great holiday and will have a super New Year.

Darlene

ACTIVITIES CORNER

Douglas Roetman
Laura Carey

Happy New Year!!! Here we are, wrapping up 2008 and heading into 2009. I want to thank everyone that was involved in suggesting activities, and everyone that attended our events. The great turn out at our events this past year was very gratifying to me and the team that helped organize these events. I want to thank, Laura, my right hand helper, and the "A" team, Judy, Barb, and Vera, for helping to make this a successful year with our activities. I also want to extend a hearty thanks to Kim for doing the games at our meeting. All of these gals have helped me a bunch to make this year, a fun year of activities. I'm confident our new activities director will have really great activities lined up for 2009.

Doog and I haven't been able to attend as many of our activities this past year as we would have liked to attend; yet, we have had a fun year of riding. Even though, Doog and I were involved in a motorcycle accident, in April, we were able to win the summer "Sweathog" Mileage Contest. We did complete three big trips this year. Our first trip was with Ken, Lisa, Ace, Judy, Scott and Vera, where we traveled across Central Missouri during the Memorial weekend. On this trip, I needed to get Doog a Harley t-shirt and rain jacket, since we ran into some wet and cool weather. Our second trip was to Sturgis. On this trip, it got boiling hot on the last third of the trip. Needed to wet down Doog's denim blanket for him to stay cool. That was a 1200-mile trip in 48 hours. Doog was a "hit" out in Sturgis; yet, we didn't see any pictures of us on any web sites. Guess it's too hard to compete with the good-looking gals out there.

Especially, the ones that have been customized. Our third trip was to Yellowstone. On this trip, the inner primary bearing went out. We were able to get it repaired in Gillette, WY. After the repair, we had to do some heavy-duty riding to complete the trip. We rode through Yellowstone National Park and over Beartooth Pass. Doog was a real trooper on the ride. Of the over 21,000 miles ridden on the Ultra this past year, Doog has ridden over 19,000 miles. Doog is a National H.O.G. member, and is a 2009 EVHOG member as well. We have enjoyed riding with the EVHOG this past year, and we are looking forward to riding with the group this coming year.

Shutterbug

So here we are with a new year and new officers once again. As outgoing Webmaster, I want to welcome Rex into that position. I'm sure he will do a fantastic job. I also wanted to inform all members of a couple of recent changes.

First off, most of you are probably already aware of the recent change in our domain name from elkhornvalleyhog.com to evhog.net. The plan is that both domain names (elkhornvalleyhog.com and evhog.net) will get you to our site but sometime in June of 2009, elkhornvalleyhog.com will stop working so be sure to update your bookmarks now. It is important to note that "evhog.com" is being used by a chapter in Arizona so don't use ".com". If you want to get to our web page, just go to www.evhog.net.

One other website related change happened more recently with the **Member Activity Signup** page in the **Members Only** section. Al G. was kind enough to assist with some very nice improvements to the functionality of this page. In addition to a few esthetic improvements, future events can now include links to maps associated to that event. There is also a new feature that makes administration easier. After an event has past, the event is automatically removed from the list of viewable activities so that it doesn't have to be manually removed by an administrator.

Thanks Al, for all your hard work on this!

I have enjoyed maintaining our chapter website over the past few years and in 2009, I am honored to be the chapter photographer. I am excited about this position because in addition to having a passion for riding and having fun with my extended family, I also have a passion for photography. I certainly am far from a professional photographer but I do enjoy it. I would like to encourage all of you with a digital camera to bring them to activities to take pictures. I try to make it to most activities but I won't be at all of them and one of the great things about our website is that we can look back at past events and reminisce about all of the fun that we had!

A few years ago, I taught an informal class for our members titled "Digital Photography 101". Many members seemed to really enjoy that class. If there is enough interest, I may plan to do that again for this spring or early summer. If you are interested, or if you just have some basic questions about digital photography, feel free to contact me at bob@evhog.net.

First and foremost, I would like to apologize for the lack of "polish" to this month's newsletter. Due to software challenges and holiday related time constraints, I had to compromise a bit.

I am looking forward to helping deliver our chapter's news, information and stories. As some of you already know, I have recently written a few short stories about some of our chapter members and their adventures. Remember, bunnies have famously large ears. The better to hear "Tales of the Road." Don't be surprised if some of your experiences find their way into a short story or philosophical musings. Any and all story ideas are welcome.

HEAD ROAD CAPTAIN CORNER

I know it's been awhile since I have written an article for the newsletter and I apologize for that. I had planned on writing one each month. Unfortunately, as so often happens to all of us, life gets in the way sometimes. What with going to the 105th at the end of August, guests from out of town at the end of September, planning the Hog-o-ween party at the end of October, heading south for Thanksgiving in November. That's my story and I'm sticking to it.

Anyway, here we are, as I write this there are only 3 days left to 2008 and by the time you read this it will be 2009 already. Where did 2008 go? As I look back on it time seems to have flown by. The summer seemed to go so fast, fall was over in a blink of the eye and now we are almost half way through winter and already looking forward to spring and the next riding season. I hope everyone had a very Merry Christmas and a Happy New Year. Did you make some good New Year's resolutions? I have, 2009 is

going to be a great year for me. It is going to be a year of good health both physically and spiritually. It is time to lose those extra pounds that seem to have taken such a liking to me and don't want to let go. It is time to learn to meditate to free myself from the day-to-day stress that life offers. This will allow me to have more energy and stamina for all that life offers. It is so important to stay in good physical shape. We must take care of ourselves in order to take care of others, not to mention, **SO WE CAN RIDE A LOT**. So, have you made your New Year's resolution yet? It's not too late if you haven't. What do you most want to change in your life? Decide, set a goal and go for it.

We have already started planning a couple of trips for next summer. How about you? Taking any long vacations on the bike? Maybe Sturgis, or the National rally, or a nice ride out to visit family or friends? Take the time now to plan so that when riding season hits you are ready to hit the back roads and enjoy, enjoy, enjoy.

I want to thank everyone who voted for me to be your Head Road Captain again for 2009. For those who didn't, well what can I say but, "Nah-nah-nah-nah-boo-boo." Just kidding, I know it was a close vote between Rick and I and I know he would have done a fine job too. I look forward to another great year of wonderful rides and hope all of my road captains from 2008 will join me again this year. I had a lot of fun working with all the road captains and officers in 2008 and can't wait to get started on the great activities I know Clint will have for us in 2009. Congrats to all the 2009 Officers! Let's make this the best year ever!

"Let go of difficulties from your past, cultural codes, and social beliefs. You are the only one who can create the life you deserve." The Secret by Rhonda Byrne.

Ride safe and have fun. See you on the road.
